

Employment Opportunity

Location of Job:	3 West Broadway Oneonta, New York 13820
Employer:	Opportunities for Otsego, Inc.
Program Name:	Building Healthy Families
Job Title:	Team Leader
Description of Duties:	The Team Leader supervises home visitors for prenatal parents and families with young children and carries a small caseload, as needed. The role encompasses advocacy for the parent-child relationship and the promotion of healthy childhood development and requires documentation and oversight, providing Reflective Supervision, promoting professional development, and completing a variety of quality assurance activities. The Team Leader works in partnership with the Program Manager to address challenges and maintain compliance with HFNY and program policies, HFA Accreditation requirements and those of funding sources and is expected to collaborate with community partners.
Hours:	40 hours per week
Salary:	\$1,212.29 - \$1,333.51 per week
Minimum Requirements:	Master's degree in human services or field related to working with children and families, or bachelor's degree in the same with 3 years of relevant experience, or less than a bachelor's degree with at least 5 years of experience working in a Healthy Families America program. Solid understanding of or experience in supervising others, culturally humble practice, infant and child development, and family-centered, strengths-based service provision. Valid, unrestricted New York State driver's license and reliable transportation
Preferred Requirements:	Infant mental health endorsement and experience with reflective practice preferred; Spanish fluency a plus
